Mrs. Shirley D. Stone
9210 West Frank Avenue
Peoria, Arizona 85382

Dear Mrs. Stone:

Thank you for contacting my office regarding your concerns about the bankruptcy code. I appreciate that you have taken the time to share this with me.

However, it has been a long-standing tradition in Congress to allow each Member the opportunity to respond to their own constituent's requests. Therefore, I have forwarded your correspondence to your U.S. Senator, John McCain, for his review and direct reply to you.

Sincerely,

A handwritten signature in black ink that reads "Bill Nelson".
