VS.

JOHN W. STONE
DOB: 09/26/1956

**PETITION TO MODIFY TERMS OR
REGULATIONS OF PROBATION & ORDER**

The defendant was formally judged guilty of the crime of **COUNT I: AGGRAVATED HARASSMENT, A CLASS 6 FELONY OFFENSE COMMITTED ON OR ABOUT: MARCH 6. 2006**

Probation Start Date: 04/03/2007 Prob. Length: 3 year(s) Standard

Circumstances: An investigator from the United States Marshall's Service has recently informed this officer that the above listed defendant is sending out numerous letters to various public officials, including Superior Court Judge Rosa Mroz and an attorney. (A copy of letters as well as a list of those who received these letters is attached for your perusal). The return address on the envelopes Mr. Stone addressed are falsified as being "on behalf of Judge Mary H. Murguia", a party in which did not give the defendant permission to send these letters. The US Marshall's Service is currently investigating this as fraudulent impersonation of a government official.

The defendant has been confronted with this information and has been asked by this officer to stop all such correspondence. It should also be noted that all such information contained within these letters is also reflected within the defendant's website, www.theexposure.com.

Recommendation: Condition #27: Do not under any circumstances send correspondence to any persons, attorneys or public officials, including judges of any jurisdiction on behalf of any other person or without express written consent from such person. Additionally, terminate website www.exposure.com immediately. Do not start any further websites without written permission from the Adult Probation Department.

I, **John W. Stone**, understand Condition # 27 will be added to my probation grant. In addition, I voluntarily waive my right to counsel and/or a Court hearing regarding this matter.
